A Far Greater Corset Store.—(2d Floor.)

An Education in Corseting.

An Exposition of Form and Grace.

For years "Judic" and "Pacra" Corsets have upheld our traditional Corset Leadership, reflecting every change, no matter how trifling or revolutionary.

The "Judic" allows every organ full freedom, lengthens waist, and, in its various models, reduces or expands the hips. No other Corset gives its graceful line from shoulder to bust. Every pair is guaranteed.

With Our Enlargement and Expansion

Come increased opportunities. Women are, proverbially, corset faddists. We want to satisfy all such. To make all women turn instinctively here for complete assortments. And to further this we shall, from week to week, give prominence to leading specialties.

This Week We Take Up and Feature The "W. B. Erect Form"
